

## **Floral Cones**

To make flower cones, cut medium-weight paper into a 7-inch square.

Use decorative scissors to scallop edge and a pencil to form tip.

Secure outer flap of cone with craft glue.

Punch six holes, 1 inch apart, beginning at top front center; thread 20-inch length of 1/2-inch-wide ribbon through holes.

Tie bow at front, and leave a 7-inch loop at the back.

Hang on door knob or on a front door using a wreath hanger!
