### 10" SQUARE FLORAL MAT

#### YOU WILL NEED:

- leather panels
- 10" x 10" square black shadow box frame with white mat (4-3/4" opening)
- Fabri Tac Glue
- double-sided tape
- scissors or craft knife
- black fine-tip permanent marker
- photo – 4-1/4" square

#### INSTRUCTIONS:

1. Remove backing from frame and mat.
2. Use double-sided tape to adhere Square Mat Flower Patterns to the front of the scarlet panel. Using scissors or craft knife, carefully cut out Flowers. Remove Patterns.
3. Place pieces on mat and glue in place.
4. Refer to photo and use marker to draw swirls.
5. Cut a 5-1/2" square from teal panel. Center and glue photo to teal panel and then to wrong side of mat opening.
6. Frame finished piece.

## 8" x 10" FLORAL MAT

### YOU WILL NEED:

- leather panels
- 8" x 10" black frame
- Fabri Tac Glue
- double-sided tape
- scissors or craft knife
- black and white sewing threads
- sewing machine
- photo – 3-1/2" square
- pencil

### INSTRUCTIONS:

1. Remove backing from frame.
2. Trim cream panel to fit in 8" x 10" frame.
3. Use double-sided tape to adhere Rectangle Mat Flower Patterns to the front of the scarlet panel. Using scissors or craft knife, carefully cut out Flower pieces. Remove Patterns.
- Cut a 3-3/4" square from teal panel. Glue photo to center of square. Using sewing machine and white thread, attach photo to square by sewing diagonally across each corner.
- Place cream panel in frame to position and glue photo square and Flower pieces in place. Allow Flower pieces to overlap photo.
- Referring to photo and pattern, use a pencil to draw lines to sew for stems. Using sewing machine and black thread, sew over lines and down center of swirled Flower piece.
- Frame finished piece.
